## Report of Cultural Activities

### Academic Year 2020-21

*Strength Does Not Come from Physical Capacity. It Comes from an Indomitable Will*

*- Mahatma Gandhi*

The academic year 2020-21 began amidst anxiety, fright, and havoc of the Coronavirus pandemic. These unprecedented times converted the otherwise electrifying campus environment to sullen, icy, and painful silence.

A Fine art competition was conducted and students were asked to e-mail their drawings, cartoons, and paintings. Our fine art director Mr. Preston Mascarenhas judged the event and the best ones were selected and guided to represent our college for the 53rd Inter-Collegiate Youth Festival. Ms. Shanice Ferreira and Mr. Arnold Pinto, our western singing directors, guided our participants in western singing. Mr. Nilesh Gopnarayan, our theatre director guided our

students for mimicry, mono-acting, and story-telling.

The Mumbai University created a history of celebrating the 53rd Inter-Collegiate Youth Festival virtually. The number of events were trimmed down to ten, but were systematically planned on the digital platform. Our college participated in 8 events and got qualified for 5 events for the Final Round.

At the final round our college bagged Ranks for the following events:

Ms. Lekhana Bhandary T.Y.B.A - Second Rank- Western Vocal Solo

Ms. Soni Nikita Murarilal F.Y.B. Com - Third Rank - English Elocution

Ms. Mali Kanchan Jayram M. Com - Third Rank - Mono-acting

The bigger programme we participated together this year was Social Distancing to Flatten the Curve. The spirits of Garciates are not dampened as the students, principal and the cultural team are determined to make for this lost time in good days, which we believe is nearby, with more fervour and zeal to craft beautiful memories together.
