Letter of Appreciation

Dear Prin. Somnath Vibhute

Election work assumes high significance as it is a national duty. Students and staff members from your esteemed college have been always supportive to the administration in different ways such as election duty, provision of college premises and registering the new voters who have completed 18 years of age. The role of your college in celebration of national voter's day is commendable.

Participation of your college in creating voter's awareness through Sweep Activity, bicycle rally, Prabhat Feri etc. is worth appreciation. Your students have helped in new voter registration from the year 2017 onwards. The details are given below.

Year	New Voter Registration
2017-2018	230
2018-2019	344
2019-2020	357
2020-2021	Nil
2021-2022	195
2022-2023	1500

We thank you for your remarkable contribution and support to national duty like elections and expect the same in future as well.

With Warm Regards

(Avinash Koshti)
Tehsildar Vasai
