Subject: Letter of Appreciation

Dear Principal Dr. Somnath Vibhute,

Your college NSS unit organizes seven days NSS Residential Camp every year and our village, Khochiwade, is the adopted village of your NSS Unit.

The Grampanchayat of Khochivade and me as the Sarpanch appreciate your contribution to the development of our village through various activities and awareness programs such as health, de-addiction, voter awareness, Swachha Bharat Cleanliness drive and Tree Plantation drive.

The continuity, of the NSS unit, in contributing to the development of the village in the last five years, that is, from 2018-2019 to 2022-2023 is commendable.

We thank you for your remarkable contribution and support to the Khochiwade village.

With Warm Regards

(Mrs. Megha Phatak)
