

## **ACTION TAKEN REPORT ON STUDENT SATISFACTION REPORT**

**2021-22**

### **Teaching Learning Evaluation**

1. Teachers conducted extra lectures to bridge the gaps in completion of syllabus. Also taken more feedback from students in order to create better understanding and clear doubts if any.
2. The online platform had its own glitches and challenges like network issues, login problems, No updated devices etc.. college should work on these shortcomings as in future teaching-learning will be blended form.
3. The teachers created google classrooms and uploaded more Case study, PPTs, video link, quizzes, syllabus copy in order to bring more students on the platform.

### **Facilities**

1. Help desk can be introduced for student related inquiries which will answer the calls, emails as well.
2. Librarian organised lectures to Spread more awareness of online library, e-resource, N-list etc.
3. Though this period was unprecedented and tough times extra-curricular was not possible due to university restrictions, once the lock down was lifted college organised christmas carrol and some sports activities.
