

Action Taken Report on Student Satisfaction Survey
2020-21

1. Faculties were trained on PSO,PO and CO and the same was introduced to students by faculties before the course is started in the class.
2. As the lectures were conducted completely in online mode due to Covid-19, teachers content delivery improvement workshop and online educational tools training is suggested for teachers which IQAC is directed to organize.
3. As the lecture were conducted completely in online mode due to Covid-19, IQAC of the college directed to organize e-content delivery workshop.
4. The mentors should hand over the list of students not attending the google classroom to the attendance committee. Attendance committee can find out the reasons from such students on their issues relating to the google class room and submit a report to the Principal for remedial measures Steps to be taken so that all the enrolled students to be part of the google class room or any other learning platform adopted by the college
5. A google sheet showing the time and details of issues dealt by the mentors to be maintained. When mentors get a call or a message from a student collect the name, class roll number and at the end of the day the mentor should record the details of their interaction in the excel sheet
