

St. Gonsalo Garcia College, Vasai

Physical Facilities

Procedures and policies for maintaining and utilizing physical, academic and support facilities-

The college maintains its physical facilities through annual maintenance contracts. A technician is appointed for the upkeep of electrical, plumbing. A carpenter is under contract for maintaining and making furniture's for the classrooms, office and labs .

Purified RO drinking water facility is provided on every floor in both the buildings. To maintain cleanliness and hygiene adequate number of dustbins are provided in every classroom as well as in the open space on the campus.

The gymkhana needs are taken care of by the sports instructor with the supporting staff of the college. The sports committee formed at the beginning of the year (usually for a term of three years) chalk out annual sports programmes .The sports committee incorporates student representatives for the various events. The committee plans and implements the yearly activities like interclass competitions, selection for university competitions, The college recommends and work out intercollegiate events to be organised in the campus. Coaches are appointed for events like athletics, football, cricket, volleyball, boxing, rifle shooting by the college to train students for different university , district and state level competitions. Every year required sports materials are purchased as per the needs of the college. The college premises is also made available for IDOL university exams, railways and similar other exams such as CA foundation, ICWAI , exams etc.

The cultural activities are worked out under the leadership of the cultural committee formed at the beginning of the year. The same is expanded with student representatives who take initiative to organise and popularise the events class to class. The cultural committee plans individual and group activities and select participants to represent the college for university events. On recommendation of the cultural committee the college appoints dance choreographers, directors for theatre events and musicians for singing and fine arts annually.

The library has a full time librarian and dedicated staff and space to meet the needs of the students. The library has shifted to a spacious area in the new building facility inaugurated on January 2019 . The new main library area is 40x36 meters, and extension room of 10x9 meters dimension and a media centre of 10x9 meters. The library support staff maintain the cleanliness of the library.

There is a library committee represented by departmental heads and in charges who recommend the needs of the departments and faculties. Book exhibitions are organised and books are purchased by the departments, teachers and students. Library organises various activities such as enrolling students and teachers for NPTEL SWAYAM courses in order to make it vibrant and active .

Computer labs are maintained through annual maintenance contracts to outside agencies. Lab attendants take care of the cleaning and needs of the computer lab. Projectors installed in classrooms are maintained through annual maintenance contracts. Classrooms are maintained through regular cleaning by the college support staff . For the cleaning of washrooms and upkeep of grounds a support staff is specially appointed.

Indoor Rifle Shooting Range, Rifle Shooting Training Centre-

This new addition is an attraction for NCC cadets and sports rifle shooting students who have been winning prizes at university, district and state levels. The range is managed by NCC unit of the college. The college has taken the support of a trainer for training and competitions. Parade instructors (NCC) conduct lectures on aiming and shooting and also train the cadets in firing. College NCC cadets also practice shooting at Colaba shooting range. NCC unit is responsible to manage the firing range, the expenses are borne by the college.

Media Centre-

The media centre is mainly for helping the faculty to record their video lectures which is to be shared in the LMS of the college. All the teachers are encouraged to use the centre to create E content such as videos for YouTube channel of the college. College YouTube channel is updated and managed by students of BSc I.T. section.

Canteen-

The college canteen is functional in a separate structure adjacent to the Building 'B' It has a seating capacity of 50 students. Healthy and hygienic food items are prepared and sold at affordable prices. It is given on contract to Nayak Food and the contract is renewed on yearly basis. Purified drinking water is provided in the canteen. Quality of the food items in the canteen is regularly monitored by the members of the canteen committee.
